THE BEST RUN

# Welcome to SAP – The Employer of Choice

As a world leader in enterprise applications, SAP develops innovative and tailored business solutions for more than 440,000 customers worldwide. We employ over 100,000 people in more than 180 countries to deliver first-class enterprise software solutions and top-notch services to our customers.

Thanks to our employees' excellent qualifications and commitment, SAP's future prospects are outstanding as our success story continues.

We'd like you to be a part of that story.

# Will **you** Join SAP?

Are you a student or a recent graduate? Are you eager to make a real difference? Now's your chance.

At SAP:

- We place great importance on collaborating across departmental, hierarchical, and geographical boundaries
- You'll have the freedom to work with companies that are changing the world, the opportunity to cooperate with colleagues who share your passion for creativity, and the chance to reap recognition for your efforts
- Our company culture is designed to give every idea a chance, and our colleagues' ideas regularly become reality

What are you waiting for?

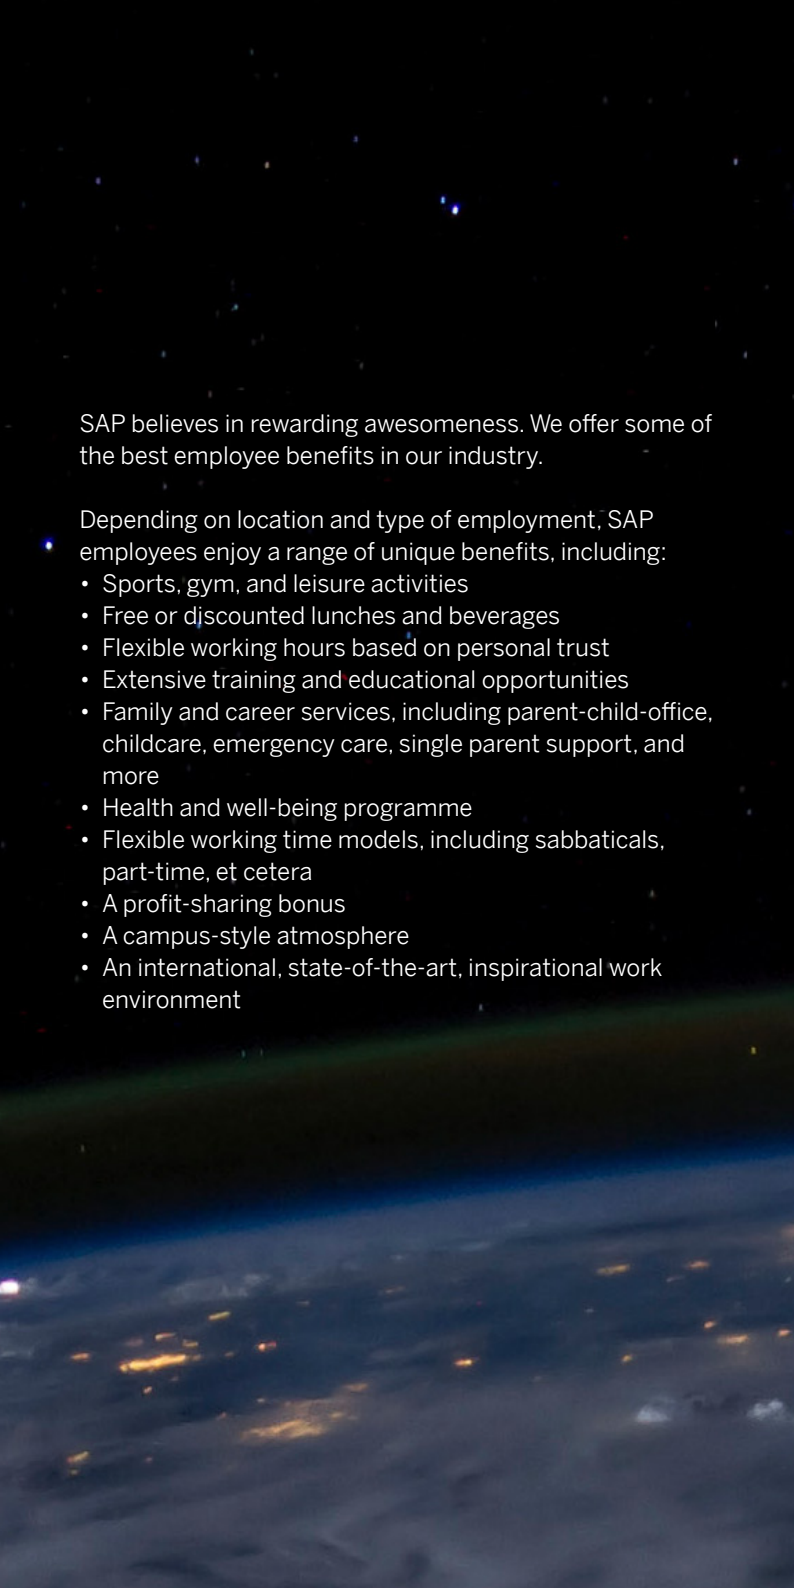

Kick-start a meaningful career and bring your ideas to life by joining SAP.

[www.sap.com/careers](http://www.sap.com/careers)

SAP is the market leader in enterprise application software, helping companies of all sizes and in all industries to run at their best: 77% of the world's transaction revenue touches an SAP software system.

Our machine learning, Internet of Things, and advanced analytics technologies help turn customers' businesses into intelligent enterprises. Our end-to-end suite of applications and services enables our customers to operate profitably, adapt continuously, and make a difference. With a global network of customers, partners, employees, and thought leaders, SAP improves people's lives and helps the world run better.

**Why SAP?**  
**Because we Know**  
**What **Inspires** you.**

SAP believes in rewarding awesomeness. We offer some of the best employee benefits in our industry.

Depending on location and type of employment, SAP employees enjoy a range of unique benefits, including:

- Sports, gym, and leisure activities
- Free or discounted lunches and beverages
- Flexible working hours based on personal trust
- Extensive training and educational opportunities
- Family and career services, including parent-child-office, childcare, emergency care, single parent support, and more
- Health and well-being programme
- Flexible working time models, including sabbaticals, part-time, et cetera
- A profit-sharing bonus
- A campus-style atmosphere
- An international, state-of-the-art, inspirational work environment
